WARRANTY:

All antennas and accessories manufactured by Mid-West Electronics are warranted against defective material and workmanship and are subject to repair or replacement only if failure results from these factors within ninety (90) days, five (5) years on Big Foot 5/16" whips. Lifetime on Big Foot 3/8" whips. Customer must show proof of purchase for any repair or replacement under warranty. This warranty does not extend to any of our products which have been subject to misuse, neglect, accident, improper installation or application, nor shall it extend to units which have been repaired or altered outside our factory. This warranty is in lieu of all other warranties expressed or implied. In the event of a warranty claim, contact your sales representative for instructions. Products not manufactured by Mid-West Electronics carry the warranty of the individual manufacturer.

RETURN POLICY:

All merchandise must have a return authorization number and a description of what is wrong. All returns must be sent prepaid. Returns without authorization numbers will not be accepted.

ORDERS:

Orders under $50.00 will be subject to a $5.00 handling charge.Most hardware and accessories are standard packages of 12 and antennas are packages of 6. Order in these quantities.

CREDIT POLICY:

All merchandise will be shipped via the best way, C.O.D. cash or certified check. Company check may be accepted after arrangements have been made with our credit department.

FREIGHT POLICY:

Freight is prepaid on $1000 or more on qualifying orders.

REFUSED ORDERS:

If buyer refuses to accept shipment, Mid-West Elect. will assess a $15.00 charge to buyers account.

CHANGES:

Prices subject to change without notice. Mid-West Electronics reserves the right to discontinue items, change specifications, design, appearance and manufacture without prior notice; without incurring any obligations whatsoever.

PDC SOUND MODULES

PDC offers the Digital Sound Modules that You, the Customer, have asked for! A few features of our products include:

- Made in the USA
- All of our quality sound modules are easy to install.
- Comes complete with easy to understand diagrams and literature.
- Rubber exterior housing protects unit from shorting with radio components.
- Housing is soft enough and slim enough to fit inside most all CB radios.
- Comes complete with a momentary miniature push button switch; or can be wired directly to microphone key wires.

All PDC sound modules are priced

26.95 single

PDC200
Donkey Fart
The colorful sound from down on the farm of a donkey with a severe gas problem.

PDC201
Wolf Howl
This sound recreates the lonesome cry of the wolf as it howls at the full moon (and babes on the street corner).

PDC202
Lord of the Jungle
Remember the wild call from those old movies featuring the original swinger. (Don't play this one near a herd of elephants!)

PDC203
Lady in Heat
The passionate sound of a woman during a heated romantic interlude.

PDC207
Hot Time in the Jungle
This hilarious sound combines our Lady in Heat with the Lord of the Jungle as they experience the joy of a romantic interlude.

PDC208
Rooster in the Hen
A fun farm sound that has the rooster sneaking into the henhouse for a little action with the chicks.

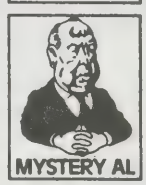
PDC209
Scream of Death
This sound features the dreadful scream of a terrified woman in morbid fear for her life.

PDC210
Call to Duty
All you 'vets' should remember the sound of being called to your station, ready or not.

PDC214
Jolly Laugh
This hilarious laugh will keep you laughing until your belly hurts.

PDC215
Peck Yer Wood
That crazy woodpecker will keep you playing this one even after your friends "Guess Who" you are.

PDC216
Strange Encounters
You'll recognize this sound after you and your friends have a "strange encounter of the worst kind."



PDC217
Mystery Al
The classic horror theme that will have you in a "Frenzy." So have a "Good Evening" and don't go "Psycho!"

PDC211
Hi-Ho Silver
A man with a mask, a white horse, and silver bullets characterize this sound.

PDC-193
Adios!
a great way to let everyone know your leaving them in the dust

PDC-194
Bad Boy, Bad Boy
just when you thought it was safe to call the police, they shoot you dead

PDC-195
Battle Stations!
for those of you who sometimes feel a bit distant from earth

PDC-196
Call 911, Stupid
for those times when we need help from all the idiots

PDC-197
Crack of Dawn
tell everyone just how horny you are in the morning

PDC-198
Dirty Old Coot
all the whistles, slurps, hoots and hollers men produce when aroused by the sight of a babe

PDC-199
Squeaky Time Gal!
the bedtime sounds we all like to hear

PDC222
Lunar Cricket
Everyone enjoys space travel these days, even this friendly little cricket. The space sound he makes is really unique.

PDC223

(1) UZI Machine Gun,
(2) Phaser,
(3) Bomb Drop, and
(4) Space Gun

PDC218
Panther Thinks Pink
This cat is known worldwide, from cartoons to insulation. You'll be thinking pink when you hear this.

PDC221
Hot Porky Mama
Our Lady in Heat is at it again, this time with that Crazy Pig! "Pork", anyone?

PDC229
Brainy Scarecrow
As you travel down those yellow brick highways, think: "If I only had a brain, I'd buy this noise toy!"

PDC232
Badges, Badges...
"We Doan Need No Steenking Badges!," but we would like to have this sound module, senor.

PDC233
Give A Damn!
"Frankly," we think you'll love this movie quip that just doesn't "Give a Damn!"

PDC234
Roy Rogers
This singin' cowboy had such a unique way of saying goodbye. Now you can say it too! May all your trails be happy.

PDC239
"F" Troop
Sound "Retreat" back to TV Land and Fort Courage with Corporal Agarn and Sergeant O'Rourke.

PDC240
Road Runner
"Meep, Meep!, Zooom! There he goes! Catch this sound module if you can. (Not Made By Acme, So It Works!)

PDC241
Old Witch
This sound has a cackle that'll crack you up. Great for when you can't decide "witch" sound to play.

PDC242
Hello, Baby
The Big Bopper calls and finds out Baby's wearin' Chantilly Lace. What a great way to break the ice!

PDC204
Midnight Train
Brings back memories of the old steam locomotive as it travelled those miles and miles of endless rails.

PDC224
I Feel Good
The Godfather of Soul lets everyone know how good you feel with his fantastic voice. Get down with Mr. Brown!

PDC225
Call to Post
Get your bets down, the nags are ready to run for the roses when they hear this call.

PDC226
Wipe Out
Surf's Up! Get ready to hang ten with this famous laugh from the song from the sixties.

PDC227
Big Bad Wolf
Who's afraid of our Little Red Lady in Heat getting it on with our Big Bad Wolf. Satisfaction with a Howl!

PDC228
Achy Breaky Heart
What do you say, Billy Ray?... It's the tune that just won't go away! OoooooWeeeeee!

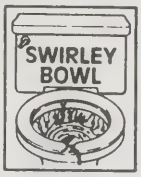
PDC235
Mae West
The original movie sex goddess invites you up to her place to see her sometime. "OH!"

PDC236
Bart Simpson
The famous underachiever that always tells it like it is, man.

PDC237
The Shadow Knows
"Who Knows What Evil Lurks" in this sound module. You'll "Know" for sure when you get this one.

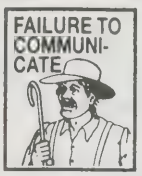
PDC238
Mighty Mouse
Now you'll be able to "Save the Day" in style with this theme song that will really get you pumped!

PDC205
Fog Horn
This deep sounding horn is heard round the world as ships try to make safe passage through the night fog.



PDC206
Swirley Bowl
An everyday sound that should add a little color to the airways on those long boring trips.

PDC243
Bonanza
This TV theme will have you ridin' the range with the Cartwrights as you head for your own Ponderosa.



PDC244
Failure To Communicate
"What we have here" is another famous movie quip which allows you to voice your displeasure with stubborn fools like Luke. Stay Cool.

PDC245
Mayberry
Just fishin' & whistlin' with Andy & the gang and goin' back to simpler times on TV.

PDC246

PDC220
Reverb/Echo
This unit is not just a sound mod toy! It's variable, making you sound anywhere from being in a barrel to being in the grand canyon.

super talk kit

ST-1 19.95

The **Super-Talk ™** Kit enables you to add variable power to any AM or SSB radio. Once installed you will be able to vary your RF Power from full power, down to zero watts on dead key. As you talk into the microphone your modulation will furnish the drive, thus causing your radio's transmitter to operate like a modulator. Easy four wire hook-up. Easy Installation Instructions Included with each kit. Works great on Exports also!

nutrol contol cleaner

401B 6.95 (12 oz)

with special lubricating oils
cleans, protects and lubricates

contains a unique blend of high purity solvents and special lubricating oils. Safe on most plastics. Cleans and lubricator lubricates; selector switches, contacts, controls, relays, office equipment, locks, hinges, power tools and equipment needing greaseless lubrication

---

contact cleaner

404B 6.95 (12 oz)

with electronic grade silicones

Safe on most plastics. Nonconductive. Ideal for tuners, contacts, connectors, switches, keyboards, locks and mold releases. Cleans, lubricates, protects

---

super duster

402A 7.95 (14 oz)

zero residue, non flammable

Removes microscopic dust, lint and foreign particles from electro mechanical instruments, coin counters, printers, timing devices, cash machines, photographic and optical equipment. Value allows controlled pressure up to 70 PSI.

---

super cold

403A 5.95 (10 oz)

variable valve, chills to −60° F

for locating thermal intermittent electronic components, PCB cracks and cold solder joints. Protects heat sensitive components during soldering. Freezes gum and adhesives for easy removal. Non flammable.

---

safety wash cleaner degreaser

405C 5.95 (12 oz)

zero residue, safe on most plastics.

Contains a unique blend of moderate evaporating high solvency alcohols for general cleaning and degreaseing. Static free. Works excellent in ultrasonics.

head/disc cleaner

407A 5.95

static free, zero residue, safe on plastics.

Removes contaminating oils, oxides, dust, dirt and smoke film from sensitive magnetic tape heads, computer disc, drives and CD-ROMS. Fast evaporation.

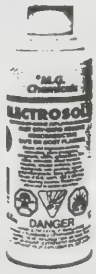
---

rubber renue

408A 5.95 (8.5 oz)

rejuvinates and conditions rubber

Excellent for use on; rollers, belts and platens. Apply with cloth or brush. Rubs off oxidation film. Leaves no residue, fast dry.



electrosolve contact cleaner

409B 5.95 (12 oz)

zero residue, safe on plastics, nonconductive, fast evaporating.

Powerful cleaner that quickly penetrates and dissolves most soil types. For use on most electronic parts and equipment.

---

heavy duty flux remover

413A 6.95 (14 oz)

penetrates to quickly remove most nonionic and ionic soils.

Removes all types of flux. Solvent may be harmful to some plastics.

---

super contact cleaner

801B 5.95 (5 oz)

with poly phenyl ether gives years of superior protection against oxidization and corrosion.

Improves conductivity. Protects, lubricates and deoxidizes connectors, contacts, controls, IC's, jacks, switches, battery terminals, plugs, potentiometers and relays. Safe on most plastics. Protects gold for life.

isopropanol cleaner

824 3.95 (12 oz)

removes flux, light oils and residues, cleans tape heads.

Safe on most plastics. For cleaning contacts, magnetic tape heads, PC boards, relays, connectors, semi conductors, office and medical equipment. Flux removal for semi conductors, PCB's and other electronic devices.

heavy duty cleaner degreaser

827A 7.95 (14 oz)

non flammable, displaces moisture, non conductive.

Cleans and degreases contacts, printed circuits, tuners. Dissolves wax, tars and adhesives. Removes oils, lubricants and oxides. Static free. Non residue. Works excellent in vapor degreasers and ultrasonics.

no clean liquid rosin flux

835 4.50

superior fluxing ability

Instant wetting. After soldering, the rosin residue is non corrosive, non conductive, moisture and fungus resistant

super wick desoldering braid

425 1.59 (5 ft)

No clean super wick static dissipative spools.

- 200 Watts Rated Power
- Frequency Response: 50Hz-20kHz
- 4 Ohm Impedance
- SPL 93dB (1W/1M)
- Mounting Depth: 2 1/2"
- Complete Pair w/ Sleek Black Mesh Grills and Mounting Hardware

658-G 17.95 3+ 18.95 single

- 6" Black Poly Resin Coated Woofer Cone
- Resists Moisture and High Temperature
- 20 oz. Magnet / 40 oz. Magnet Structure
- 1" High Temperature Aluminum Voice Coil
- Round Basket Anodized in Matte Black
- 1 3/4" Pole Mounted Poly Midrange
- 1" Piezo High Frequency Tweeter
- Ferro Fluid Enhanced Voice Coil
- 60 Watts RMS / 120 Watts Peak
- 4 Ohm Impedance
- Frequency Response: 100-18,000Hz
- Complete with Sleek Black Mesh Grills
- Surface or Deck Mount Capability
- Color Coded Speaker Wire & Hardware Included
- 2 1/4" Mounting Depth

697 11.49 3+ 12.49 single

- 6"x9" Woofer

WATERPROOF

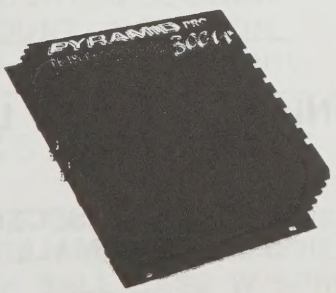
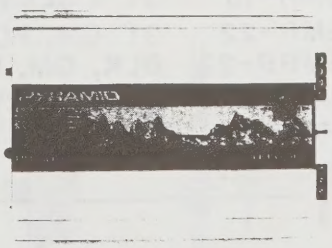
- Completely Water Proof Monitors
- 3 1/2" Poly Woofer
- 1" High Compliance Mylar Tweeter
- Vented Design for High Power and Low Bass
- Heavy Duty ABS Construction w/Rubber Edge
- Aluminum Brackets
- Quick Release Speaker Connection
- Built in Spring Loaded Mounting System
- 100 Watts Power RMS/200 Watts Peak
- 4 Ohm Speaker Impedance
- Frequency Response: 60-20kHz
- Dimensions: 4.75"W x 7.25"H x 4.75"D

PB-180PX 44.95 3+ 46.95 single

- Four Channel Amplification
- 4 x 75 Watts Total Output
- Variable Gain Control
- Accepts High or Low Impedance Inputs
- Gold Plated RCA Inputs
- High Level MOLEX Input
- Output Impedance: 4-8 Ohms
- Easy Access Speaker Connections
- Remote Turn On/ Off
- Thermal Overheat Protection
- Speaker Short Circuit Protection
- Input Overload Protection
- Heavy Duty Aluminum Alloy Heatsink
- Power On LED Indicator
- Frequency Response: 20-30k Hz
- S/N Ratio: >85dB
- Dimensions: 2"H x 7.9"W x 6.75"L



PB-301 54.95 3+ 56.95 single



- Two Channel Amplification
- 2 x 150 Watts Total Output
- Variable Gain Control
- Remote Turn On/Off
- 2 Ohm Stereo Stable
- MOSFET Pulse Width Modulated Power Supply
- Gold Plated RCA Low Level High Impedance Inputs
- High Level Low Impedance Input Connector
- Variable Subwoofer Crossover
- Screw Type Speaker Terminals
- S/N Ratio: Greater than 90dB
- Frequency Response: 15-30k Hz
- Overload Protection
- Thermal Shutdown
- Short Circuit Protection
- Power On LED Indicator
- LED Diagnostic Indicator
